	Debtor-in-Possession	:	

DEBTORS' MEMORANDUM IN SUPPORT OF
MOTION TO CONTINUE CONFIRMATION HEARING

Now come the Debtors in the above-entitled matter and with the approval of the Chapter 11 Trustee, hereby file their Memorandum in Support of their Motion to Continue Confirmation Hearing scheduled for July 6, 2017 until August 11, 2017

As grounds therefore, the Debtors state as follows:

1. That the Debtors' new commercial tenant, AN Enterprising LLC, has recently been experiencing financial set backs from its anticipated revenues, which is essential to the Debtors' successful reorganization in the pending Chapter 11 Bankruptcy;

2. That said tenant has indicated that it expects these temporary economic reversals to improve, due to increased advertising and traffic;

3. That a principal of the Debtor has recently been experiencing health issues, which have interfered with his ability to properly manage the business of the Debtor; and

4. That the Debtors need additional time to accurately show the additional income received from both their new tenant, and Debtors' related business activities.

The United States Trustee is not objecting to said continuance.

WHEREFORE, your Debtors pray this Honorable Court continue its
Confirmation Hearing scheduled for July 6, 2017 until August 11, 2017.
