#### Vieira NARR

On 3-22-14 at 0203 hours police were parked in a fixed position in front of Ada's Creations (1137 Broad St) for the club closing. During this time, police observed several subjects still loitering out front next to their vehicles waiting for other patrons. Police at this time observed three to four subjects begin to yell to each other from these vehicles and all subjects ran from the front of the club to the Corinth Street side of the club. Police followed with their police vehicle and once they made the turn, observed several subjects fighting in-between two vehicles. Upon seeing police the fight broke up quickly but the disturbance created a large traffic jam preventing other patrons from exiting the rear parking lot of Ada's. The disturbance also prevented any vehicles from traveling down the one way on Corinth St. Police called for assistance and began to tell all subjects involved to get into their vehicles and leave the area immediately. At this time the security staff arrived outside and assisted police in pulling the traffic. Other officers arrived on scene and after several minutes the area cleared out.
