Hi Kate –

No letters have gone out...I am awaiting final word from you as to whether all folks left on the list have major decision-making authority over \$50,000. The call I received from the Bd. Of Canvassers was in response to the e-mail you had sent.

My list pretty much mirrors the one you sent except for 3 individuals I had as being removed during our meeting that you have as checking on, but since you're checking on them anyway, no matter...but they are Renee Gamba, Michael Stephens & Joe Wojtanowski...I think they were removed because their positions were not specified in the charter...but, if they should remain, please let me know. I'm sure Gamba was gone, because she was the Director of Museums (the first call I received), so she had definitely been decided during the meeting...as to the other two, I have them crossed off but it's entirely possible we waived on those because they fell under Parks & Recreation.

Hope this is more helpful than confusing, let me know if you need anything further.

Thanks,

Hi Michelle:

Quick question – did the letters for the Board of Canvassers already go out? Did any other letters already go out?

I just want to make sure I know where we are.

Thanks again. Hope you had a wonderful Thanksgiving!

Best,  
Kate
